## TERMINATION AND RELEASE

Reference is made to the Liability Assumption Agreement and Tripartite Agreement listed on Schedule A hereto which have been recorded with the Interstate Commerce Commission (now known as the Surface Transportation Board) on the dates, under the recordation numbers and relating to the equipment noted on such schedule.

The Liability Assumption Agreement and Tripartite Agreement concern the Lease Agreement (1989-II) dated as of December 12, 1989 (the "1989-II Lease") between ABB Credit Finans AB as lessor and Occidental Chemical Corporation as lessee concerning the 1989-II Railcars as defined in such schedule. Neither the Liability Assumption Agreement nor the Tripartite Agreement conveyed a security interest in, or ownership or use of, the 1989-II Railcars. Consequently, the signatures of The Connecticut National Bank as Owner Trustee, Hollandsche Bank-Unie N.V. and Algemene Bank Nederland (Sverige) AB are not required to release or terminate an interest in those railcars.

Occidental Petroleum Corporation and Occidental Chemical Corporation confirm that the 1989-II Lease and the Liability Assumption Agreement and Tripartite Agreement have been terminated and the obligations of the parties thereunder and any claims and demands in connection therewith have been released, except to the extent of any obligations, claims or demands arising from indemnifications or liabilities contained in the respective documents which by their respective terms expressly survive the expiration or termination of the respective document.
